

# Victorian Tech Savvy Seniors - Participating Libraries

Victorian Tech Savvy Seniors is a Seniors Card Age Friendly Partners Program. It is designed to give older people, particularly those located in regional and rural areas of Victoria, the opportunity to develop skills to use technology for socialising, accessing important services, or conducting personal business. From July 2016, 11 library services will cater to Victorians with multicultural backgrounds by providing training in Languages Other than English (LOTE).
